Exploring faith

A place for honest questions. Listen to the church's recorded talks, note what you hear, and make space for a conversation.

A listening companion, not a statement of the church's beliefs or a summary of the speakers' teaching. The reflection prompts are suggested website wording.

As you listen

1. What is the question you want to explore?
2. What reasons or evidence does the speaker offer?
3. Which Bible passages are mentioned? Read them in their wider context.
4. What remains unclear, or would you like to ask someone about?
